APPLICATION FOR SIGN PERMIT

DATE:
PERMIT NO.

1. The undersigned agrees that any construction, enlargement or alteration of my sign structure shall receive the proper permits and shall comply with and conform to all applicable laws of the State of Indiana and the zoning ordinance of the City of Wabash, Indiana.
2. All applications for a sign permit shall be accompanied by the following items:
 - A. A copy of a plot plan, including a legal description of the property, showing the location of the proposed sign or advertising structure on the property with distances to lot lines and any homes, parks, or other advertising structure in the vicinity.
 - B. Location of the right-of-way line(s) of adjoining highways, streets, alleys or easements.
 - C. A copy of a detailed structural plan showing an elevation drawing of the proposed sign with height, width and depth dimensions, along with mechanical and electrical specifications of the proposed sign.
