

Public Notice

The City of Wabash (202 S. Wabash St., Wabash, Indiana 46992) is submitting a Notice of Intent to the Indiana Department of Environmental Management of our intent to comply with the requirements of the Construction Stormwater General Permit to discharge stormwater from construction activities associated with the Combined Sewer Overflow (CSO) Phase 4 Mitigation Project. The project is generally located along Helm Creek, Thorne Street, and the area between Alber Street and Wabash Street from Harrison Avenue to Linwood Lane. Run-off from the project site will discharge to the Wabash River. Please direct questions to United Consulting at (317) 895-2585 or by email at troy.casey@ucindy.com.
