INSTRUCTIONS: (IC 6-1.1-12.1-5.9)

1. Within forty-five (45) days after receipt of this form, the designating body may determine whether or not the property owner has substantially complied with the Statement of Benefits.
2. If the property owner is found **NOT** to be in substantial compliance, the designating body shall send the property owner written notice. The notice must include the reasons for the determination, including the date, time, and place of a hearing to be conducted by the designating body. If a notice is mailed to a property owner, a copy of the written notice will be sent to the county assessor and the county auditor.
3. Based on the information presented at the hearing, the designating body shall determine whether or not the property owner has made a reasonable effort to substantially comply with the Statement of Benefits and whether any failure to substantially comply was caused by factors beyond the control of the property owner.
4. If the designating body determines that the property owner has **NOT** made a reasonable effort to comply, the designating body shall adopt a resolution terminating the deduction. The designating body shall immediately mail a certified copy of the resolution to: (1) the property owner; (2) the county auditor; and (3) the county assessor.

State Form 11405 (R49 / 11-24)

Prescribed by the Department of Local Government Finance

FORM 103 - LONG**PRIVACY NOTICE**This form contains confidential
information pursuant to IC 6-1.1-35-9.**JANUARY 1, 2025**

For Assessor's Use Only

For taxpayers with less than \$80,000 in acquisition costs to report within the county, IC 6-1.1-3-7.2 exempts this property. If you are claiming this exemption, check this box, enter the total acquisition cost of your personal property in the county, and complete only sections I, II, and IV of this form. If you are claiming this exemption through this form, you must also file a Form 104. If you filed a return and claimed this exemption in a previous assessment year and you continue to qualify for this exemption, no return is required.

☐ \$ _____

If property is in more than one (1) location, what is the address for the location where the sum of acquisition costs for the property is greatest within the same county?

An exemption granted under IC 6-1.1-10, or any other statute supersedes this exemption. A taxpayer whose personal property is exempt because it was granted an exemption by the county must follow all applicable procedures for the approved exemption, which includes completing the personal property return. No return is required for a church or religious society if the return has been filed for five (5) consecutive years and continues to meet the requirements of a granted exemption.

INSTRUCTIONS:

1. Please type or print.
2. This form must be filed with the township assessor, if any, or the county assessor of the county in which the property is located not later than May 15, 2025, unless an extension of up to thirty (30) days is granted in writing for the county where the property has tax situs.
3. Form 104 must be filed with this return.

CHANGE IN STATUS BY THIS TAXPAYER SINCE THE LAST ASSESSMENT DATE (SOLD OR MOVED)

If personal property reported in this taxing district last year has either been sold or moved to another location, no return is required.

NOTE: In order to reduce the possibility of an estimated assessment and a penalty for failing to file a return, taxpayers may elect to inform the assessor when personal property is sold or moved out of a county. If the business is closed, you still hold title to the property, and the property is still physically located within the taxing district, an assessment may be required. The assessment of a closed business is fact sensitive and would be handled on a case-by-case basis.

6. If you sold all of your personal property to another owner, did it remain in the same taxing district? ☐ Yes ☐ No ☒ N/A

7. If you sold all of your personal property to another owner and it remained in the same taxing district, who is the new owner?

8. Do you still own personal property that was moved from this taxing district? ☐ Yes ☐ No ☐ N/A

1. Has the business closed? ☐ Yes ☒ No

2. Date of business closure: _____

Filing Basics:

- Taxpayers now have the opportunity to file personal property returns online at: www.ppopin.in.gov.
- Indiana's personal property tax system is a self-assessment system, so it is the taxpayer's responsibility to file this form in a timely manner. The forms are also available on the Department's website: <https://www.in.gov/dlgf/forms/dlgf-forms/>.
- Personal property must be assessed in each taxing district where property has a tax situs.
- For taxpayers with less than \$80,000 in acquisition costs to report within a county, Ind. Code § 6-1.1-3-7.2 exempts this property. If you are claiming this exemption through this form, you must also file Form 104. If you filed a return and claimed this exemption in the previous assessment year and you continue to qualify for this exemption, no return is required.
- Fully depreciated assets that are still in use but have been written off should be added back. Depreciation expenses are claimed for income tax purposes while assets are assessed for property tax purposes until the asset has been retired from use.
- The use of the asset is the key. The grain bin, used for storage, is classified in 50 IAC 4.2-4-10 as real property while the legs and other loading/unloading systems are classified as part of the machinery and equipment which is assessed as personal property. The same logic would apply to automated feeding and watering systems in livestock or poultry buildings, as their use pertains to the operation and not the structure of the building.
- Inventory located in the State of Indiana is exempt and is not required to be reported per Ind. Code § 6-1.1-11(b)(3).
- To locate contact information for the various county offices (assessor, auditor, and treasurer), go to: <https://www.in.gov/dlgf/contact-your-local-officials/>. To learn more about Indiana's personal property tax system, go to: <https://www.in.gov/dlgf/assessments/personal-property/>.
- Taxpayers may request up to a thirty (30) day extension to file their return. The written request should be sent to the assessor before the filing deadline of May 15, 2025, and should include a reason for the request. The assessor may, at their discretion, approve or disapprove the request in writing.
- Taxpayers who discover an error was made on their original timely filed personal property tax return have the right to file an amended return. The amended return must be filed within twelve (12) months of the due date or the extended due date (if an extension was granted) of their original return. The deadline to amend this return, if no extension has been granted, is May 15, 2026.
- If you hold, possess, or control not-owned personal property on the assessment date, you have a liability for the taxes imposed for that year unless you establish that the property is to be assessed to the owner. This is done by completing Form 103-N, attaching it to Form 103-Long, and filing it with the assessor. A taxpayer declaring the exemption on Page 1 of this form may, as deemed necessary by the applicable assessor, needs to file Form 103-O or Form 103-N, as applicable, to verify that the individual is the appropriate taxpayer to claim the exemption.

NOTE: Failure to properly disclose lease information may result in a double assessment. (IC 6-1.1-2-4(a))

- Failure to file a return or be granted an extension of time to file a return by May 15, as required by law, will result in the imposition of a twenty-five dollar (\$25) penalty to the person's next property tax installment. Effective May 1, 2024, an additional penalty will be added to the overall tax liability, as calculated below:
 - If the return is filed before November 15, the lessor of 10% of the taxes due or \$10,000; or
 - If the return is filed after November 15, the lessor of 20% of the taxes due or \$50,000.

FILING REQUIREMENTS

Property in more than one Taxing District - Due to varying tax rates, a taxpayer who has property in two or more must file any additional returns with the county assessor. (IC 6-1.1-3-10)

Were expenditures made since the last assessment date for improvements on any real property owned, held, possessed, controlled, or occupied by the taxpayer in the township wherein this return is filed? ☐ Yes ☐ No

If Yes, attach a statement setting forth the name of owner, location of the real property, an explanation of the nature, cost, date on which construction of improvements was begun, and date on which construction was completed. If not completed as of January 1, state the percentage completed at that time. (IC 6-1.1-5-13)

SIGNATURE AND VERIFICATION

Under penalties of perjury, I hereby certify that this return (including accompanying schedules and statements), to the best of my knowledge and belief, is true, correct, and complete; if applicable, reports all tangible personal property subject to taxation owned, held, possessed or controlled by the named taxpayer in the stated township or taxing district on the assessment date, as required by law; and is prepared in accordance with IC 6-1.1 et seq. as amended, and regulations promulgated with respect thereto.

PENALTIES FOR FAILURE TO FILE COMPLETE AND ACCURATE FORMS

Failure to file a return on or before May 15, or be granted an extension of time to file a return, as required by law, will result in the imposition of a twenty-five dollar (\$25) penalty to the filer's next property tax installment. Effective May 1, 2024, an additional penalty will be added to the overall tax liability, as calculated below:

- If the return is filed before November 15, the lesser of 10% of the taxes due or \$10,000; or
- If the return is filed before November 15, the lesser of 20% of the taxes due or \$50,000.

If the total assessed value that a person reports on a personal property return is less than the total assessed value that the person is required by law to report and if the amount of the undervaluation exceeds five percent (5%) of the value that should have been reported on the return, then the county auditor shall add a penalty of twenty percent (20%) of the additional taxes finally determined to be due as a result of the undervaluation. [IC 6-1.1-37-7(e)]

In completing a personal property return for a year, a taxpayer must make a complete disclosure of all information relating to the value, nature, or location of personal property owned, held, possessed, or controlled on the assessment date [IC 6-1.1-3-9(a)], and information relating to improvements made since the preceding assessment date to real property owned, held, possessed or occupied. (IC 6-1.1-5-13) This information would include, but not be limited to, completion of the heading and related information, and answers to all questions and entries on all of the appropriate lines on the face of the return. If such information is not provided, the taxpayer will be contacted and directed to provide that information. In addition, a penalty of twenty-five dollars (\$25.00) shall be imposed. [IC 6-1.1-37-7(d)]

The above penalties are due on the property tax installment next due for the return, whether or not an appeal is filed pursuant to Ind. Code § 6-1.1-15-5 with respect to the tax due on that installment. [IC 6-1.1-37-7(g)]

FILING BASICS

- Taxpayers now have the opportunity to file personal property returns online at: www.ppopin.in.gov.
- Indiana's personal property tax system is a self-assessment system, so it is the taxpayer's responsibility to file this form in a timely manner. The applicable forms are also available online at: www.in.gov/dlqf/forms/dlqf-forms/.
- Personal property must be assessed in each taxing district where property has a tax situs.
- For taxpayers with less than \$80,000 in acquisition costs to be reported within a county, Ind. Code § 6-1.1-3-7.2 exempts this property from taxation. If you are claiming this exemption through this form, you must also file Form 104. If you filed a return and claimed this exemption in the previous assessment year and you continue to qualify for this exemption, no return is required.
- Fully depreciated assets that are still in use but have been written off should be added back. Depreciation expenses are claimed for income tax purposes while assets are assessed for property tax purposes until the asset has been retired from use.
- The use of the asset is the key. The grain bin, used for storage, is classified in 50 IAC 4.2-4-10 as real property while the legs and other loading/unloading systems are classified as part of the machinery and equipment which is assessed as personal property. The same theory applies to automated feeding and watering systems in livestock or poultry buildings since their use pertains to the operation and not the structure of the building.
- Inventory located in the State of Indiana is exempt and is not required to be reported per Ind. Code § 6-1.1-11(b)(3).
- To locate contact information for the various county offices (assessor, auditor, and treasurer), go to: www.in.gov/dlqf/contact-your-local-officials/. To learn more about Indiana's personal property tax system, go to: www.in.gov/dlqf/assessments/personal-property/.
- Taxpayers may request up to a thirty (30) day extension of time to file their return. The written request should be sent to the assessor before the filing deadline of May 15, 2025, and should include a reason for the request. The assessor may, at his or her discretion, approve or disapprove the request in writing.
- Taxpayers who discover an error was made on their original, timely-filed personal property tax return have the right to file an amended return. The amended return must be filed within twelve (12) months of the due date or the extended due date (if up an extension was granted) of their original return. The deadline to amend this return, if no extension has been granted, is May 15, 2026.
- If you hold, possess, or control not-owned personal property on the assessment date, you have a liability for the taxes imposed for that year unless you establish that the property is to be assessed to the owner. This is done by completing a Form 103-N, attaching it Form 103-Long, and filing it with the assessor. A taxpayer declaring the exemption on Page 1 of this form may, as deemed necessary by the applicable assessor, needs to file Form 103-O or Form 103-N, as applicable, to verify that the individual is the appropriate taxpayer to claim the exemption. NOTE: Failure to properly disclose lease information may result in a double assessment. (IC 6-1.1-2-4(a))
- In order to reduce the possibility of an estimated assessment and failure to file a return penalty, taxpayers may elect to inform the assessor when personal property is moved out of a county. This can be done by filling out the section "CHANGE IN STATUS BY THIS TAXPAYER SINCE THE LAST ASSESSMENT DATE (SOLD OR MOVED)" on Form 102, Form 103-Short, or Form 103-Long.

Obsolescence Claimed on Form 106? ☐ Yes ☐ No

NOTE: If obsolescence is claimed on depreciable assets, the applicable adjustment must be taken on the Abatement Deduction being claimed. Show calculations on Form 106.

Line numbers on this form match the line numbers on the Form 103-Long. Lines were added to Pools 1 and 2 and deleted from Pools 3 and 4 to reflect the ten (10) year abatement limitation.

* This column may be used when the abatement year does not correlate with the acquisition year within the pool.

An example might be when used equipment is moved into Indiana from out of state and it was granted an abatement.
