

Come to an

OLD FASHIONED CHRISTMAS

Saturday, December 1st
from 1-5 PM

Paradise Spring Historical Park

Educating, Preserving, Celebrating

Come join us as we bring the pioneer spirit alive around the warmth of a crackling fire in our historical time-worn log cabins. Faith, family and early memories will be brought to life by inspired role players in this hands-on gathering.

- Make a pioneer craft
- Enjoy a cookie and cider
- Play simple games
- Help trim the tree
- Saw wood
- Lift your holiday spirits with early music
- Take your picture with Father Christmas in an antique sleigh
- Sit around the campfire and share stories

Our cabin door will open the past with these simple traditions, bringing everything old new again. The latch string will be out from 1pm to 5pm on Sat. Dec. 1.
