

CITY OF WABASH

Scott A. Long, Mayor

A Stellar Community

PRESS RELEASE

For immediate release

The City of Wabash will close City Hall and all Non-Essential Departments on Thursday January 31st to ensure the safety of our personnel and their families. The projected high temperature for January 31st is predicted to be 1 degree with sub-zero wind chills once again.

The safety of our employees and our citizens is foremost in my mind, and if we can avoid any potential safety issues with this unseasonably cold weather we will.

We anticipate opening for normal business on Friday February 1st at 8:00 AM.

Keep your families safe and as always, treat your pets like your family and let them inside where they too will be safe from the cold.

Scott A. Long

A handwritten signature in black ink that reads "Scott A. Long". The signature is written in a cursive style with a long, sweeping flourish at the end.
