## Employment Opportunity

**The City of Wabash Wastewater Treatment Plant has an opening for a full time Operator**

Persons interested in a great career opportunity should pick up an application at Wabash City Hall or visit the [cityofwabash.com](http://cityofwabash.com) website and fill out an application on-line. Applicants need to have a Class B Commercial Driver's License and will be required to get a Class 1 Wastewater License within 2 years after their hire date. Applications will be accepted beginning March 18, 2019 through March 29, 2019. The City of Wabash is a Drug Free workplace and pre-employment drug screening is required.

ALSO

The Wastewater Plant will also be accepting 2 applicants for summer help. Students or persons interested in exploring the field of wastewater treatment and its role in environmental protection may fill out applications at Wabash City Hall or the [cityofwabash.com](http://cityofwabash.com) website. Applications will be accepted from May 1, 2019 through May 15, 2019. The City of Wabash is a Drug Free workplace and pre-employment drug screening will be required.
