REF: COOLING STATIONS

The following is a list of locations and their hours of operation who have offered residents a place to come and cool off during the next 3 days. The National Weather Service has placed our area under an Excessive Heat Warning and are expecting a triple digit Heat Index bringing the feel like temperature in excess of 105°F to 110°F.

These locations welcome residents to come and get out of the heat for a while and cool off.

No special service will be provided other than a safe location to come and cool off.

Parkview Wabash Hospital, 10 John Kissinger Drive. Enter through the Emergency Room Entrance.

Wabash County YMCA, 500 South Cass Street, from 6am to 10pm
