Scott A. Long, Mayor

A Stellar Community

Northern Indiana Mayors Roundtable
NIMR Sponsors

March 16, 2020

Good Morning all,

In light of the COVID-19 restrictions that are in place, including the Honeywell Foundation closing their facilities for 30 days, I believe it best to cancel the Wabash Mayors Roundtable on March 27th.

I am sure that you all are dealing with the same issues I am in your communities, and this is a very fluid situation to say the least! I suspect that we will end up cancelling the April Roundtable as well after viewing the CDC's latest recommendation of gatherings no more than 50 people for the next 8 weeks.

We all shall overcome this in due time, I for one look forward to some sense of normalcy very soon.

Vendors will be contacted regarding the sponsorship checks we have already received in the next few days.

Sincerely,

Scott A. Long
Mayor
City of Wabash
