AGENDA

City of Wabash Board of Zoning Appeals
April 16, 2020
6:30 p.m. ZOOM Virtual meeting

1. Old Business:

- A. Minutes from March 20, 2020 meeting.
- B. Tabled Variance from March 2020 meeting: Frank D. Fuller of 826 Berkley Dr. Wabash, In. request a petition for a Variance to rebuild a garage at the same location it was but would like the garage to be longer than the original footprint. Due to it being longer, making this change would then not be able to meet the set-back requirements required by the City. The original garage was only off the property line by 2'. He would like to rebuild in that same location, extending the garage by an additional 13' toward his back yard.
